

JUNIORS

The Junior Class is the class that has gone so far, but not far enough. The thought of just one more year ahead of us is sometimes unbelievable. We have finally settled in and have marked our place in the illustrious history of Bethlehem Central.

The past two years have been fun and we have many memories to look back on. We have learned much and grown up a lot. It is hard to believe that we were once freshmen.

This year we have to struggle with SAT's, ACT's, Achievements, AP Exams etc. It's one great big testing merry-go-round! We need to start looking at colleges, jobs and our future before we step out into the real world.

When this year's Senior class graduates, we know that it will be our turn to lead the school. We know that we have the talent and the ability to exert a positive influence on the school and leave our mark among the annals of the classes to come.
