## Junior Varsity

The junior varsity football team was led by coaches Carl Frietag and Chris Rutschmann to a 3-6 season in 1986. The team started and ended the season on high notes: Shaker fell to BC in the season opener, while the Eagles beat Mont Pleasant in the final game of the year, with a victory over Niskayuna taking place somewhere in between. It was a positive season for the players who, along with next year's seniors, have the makings of a great varsity team. Team captains were Pete Bragaw and Pete Cocozza.
