Freshmen

The modified football team, under the tutelage of John DeMeo and Robert Salamone, finished the 1986 season with a 3-3-1 league record. The Eagles defeated Niskayuna, Columbia, and Colonie, and tied Guilderland. This year's freshmen should form a strong JV team next year, while the large number of returning eighth-graders should keep the program strong at the frosh level as well. Freshman tri-captains were Stu Newman, Scott Hodge, and Albert Greenhalgh.
