

Field Hockey

Varsity

The women's field hockey team spent this year rebuilding their program. Mrs. Wendth came back as head coach and set the ground work for a strong future in field hockey here at Bethlehem. Their record was 3-11 but of the 11 games lost, 7 were by the score of 1-0. In every game the team had an opportunity to win but made crucial mistakes due to their lack of experience.

The captains of this year's team were Jacqui Menzie and Meghan McGinn. Michelle Gibbons and Sascha Mayer were named to the second team all-stars in the Suburban Council. Lisa DiFrancesco was give honorable mention to the all-star team. The entire team played well throughout the season. In the future, Bethlehem women's field hockey will definitely be a force to contend with in the Suburban Council.
