Freshmen

This year's freshman swim team had a fun and rewarding season. Having had one of the largest team's in B.C. swimming history, most swimmers learned a great deal - both about swimming, and about teamwork! Captains, Michele Russo, Patrick Fish, and Naomi Kubo, helped unite the team with their fine leadership abilities. The team also had some minor set backs: 1) diving boards taken out mid-season, 2) only one pool to share with the varsity boys, 3) lane sharing with 8 people in each lane! Despite these set-backs, the season proved to be a very rewarding one for all involved!
