The women's indoor track team, lead by Co-Captains Anne Carey and Kelly Ross, compiled a 26-1 record and captured the Suburban Council Championship. Ross set a new Section II record in the high jump with a 5'6 $\frac{3}{4}$ " leap and Carey accumulated many team points with numerous victories in the 600-meter run helping the Lady Eagles place second in the large school Section II Championships. Both qualified for the state meet at Cornell University. The 3200-meter relay of Kim Cornaire, Kathy Saba, Julie Hammer, and Carey just missed qualifying for the states after suffering a heartbreaking loss to Colonie in one of the most exciting races of the year. On the whole, it was a season for Coach Ron Cameron to be proud of.
