

Women's Volleyball

Varsity

Strong cohesion and positive attitudes are what made the girl's Varsity Volleyball team one of the top teams in the Suburban Council. Under the enthusiastic guidance of Seniors Amber Cole and Wendy Vogel, the girls were able to turn in an astounding 7-3 record, impressing both Coach Nancy Smith and the rest of Bethlehem Central as well. Wendy Vogel was named to the Suburban Council ALL-STAR team. With many returning veterans, and some outstanding underclassmen coming up, B.C. may be a power to be reckoned with in women's volleyball next year.
