

Senior Class Council

Right: A. Cole, M. Richter, M. Manzella, P. Winkler. *Right*

The Senior year is more than just the Senior Ball, Banquet, Cut Day, and Prank. The Senior year is a time for thought. A time to look back at prior achievements for a certain sense of security. It is also a time when we look to the future more than to the present. This is not to say that the present is ignored. The memories of fun and friends of today shall remain with us for possibly a lifetime. Remember them all—they're too important to forget. Congratulations and good luck in the future Class of 1987, this is only the beginning!
